Dear Mayor,

Michael is my name, and I will nominate my mum, Lisa. My mum has 3 brothers who she loved dearly, just like I love her.

If I ask mum to drive me somewhere she will take me. Sometimes I get ill and Mum will take care of me and make me happy. Mum cheers me up when I'm down, and makes me laugh. My mum is happily married to my dad Howard, and has had four daughters - Donna, Amy, Cheyenne, Tayah and two sons, me and Ethan.

Sometimes I might see something I really like and she will buy it for me. Whenever I clean the laundry, bathroom, kitchen, dining room or lounge room she will thank me.

I love my mum and hope that one day I will find someone just like her. I want my mum to win the 'Local Heroes' award because she deserves it more than anyone in the world.

Sincerely,

Dear Mayor,

I have heard about the nominations for the 'Local Hero Awards' and would like to enter my Grandmother. My Grandpa died ten years ago, leaving my Grandma alone. Mum insisted she hire a maid and gardener because of her back pain. Grandma was too old to find a suitable job. So she became a volunteer worker at the Salvation Army. She helps with the meals and clothing of homeless people four nights a week. My grandmother also helps in the church organizing fundraisers, fairs, and other things. Despite her age (65), Grandma is still responsible, reliable, determined, humorous, and independent. And I think she would be a great candidate for the 'Local Hero Award'.

Yours Sincerely

Annabel Thomas
Dear Mayor,

I am writing to nominate my "Local Hero", Roger Peck. He is a 46 year old gentleman, currently living in suburban with his wife and 3 children. Roger is my "Local Hero" because he saved my sister from a fire in our house.

Roger is, at the moment, working in many different areas of the community. Such as, the school council where I go to school. The fundraising committee at the hospital. He coaches my brothers' Under 8 Soccer Team, and he is a volunteer at my Grandmother's retirement village.

Those are just some of his tremendous achievements. 2 months ago, Roger took a group of adults from the Hunger Strike group to India to provide food for villages that live in poverty.

I hope you can understand why Mr. Roger Peck deserves the "Local Hero" Award.

Dear Mayor,

I am writing to you today to tell you about my friend Joe Wheeler. He has dedicated his time to helping the elderly and very helpful in the community. During the summer, he acts as a life gard and teacher's aide. He is also a part-time vet and gives half his salary to charity. Once he saved an old man from receiving a snake bite. A lot of people call him a hero. I hope he is chosen for the local hero award.
